To Whom It May Concern:

It is my pleasure to recommend John Lam. His performance as a Medical Attendant for AmbuTrans Non Emergency Patient Transportation proved he will be a valuable addition to your organization.

I have known John for two years in my capacity as former Client Liaison Manager for AmbuTrans. He distinguished himself by consistently providing excellent patient care to his patients and their families. John is organized, trustworthy, empathetic and has good communication skills.

I wish John great success.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Thank you
